

We are looking for people from all over the country to make a sponsored 10,000 feet freefall parachute jump on our behalf and in return we are willing to pay for it! Everything you need is enclosed in this pack including your sponsorship forms; we've made everything as easy as possible for you to take part.

St Wilfrid's Hospice based in Eastbourne is a registered charity which is reaching out to transform end of life care for people in their catchment area.

As you will see from the enclosed literature we ask you to raise £495 in sponsorship money in order for you to jump for free and in turn we will receive an average donation of £140. In addition to this, every extra pound that you raise over the minimum comes straight to the charity, so please try to raise as much as you possibly can!

The enclosed information has been written by professional events organisers Skyline who receive a flat rate per jumper for organising the jumps for us. Skyline specialise in organising fundraising events for charities so if you have any questions please ring them directly as they are in the best position to answer your questions - you can contact them on 020 7424 5522.

We sincerely hope that after you have read through this information pack you will decide to give it a go. We are in desperate need of funds in order to continue our work and don't forget, all you have to do is raise the minimum amount of sponsorship and you will get to jump for free!

Good luck with raising your sponsorship and we look forward to hearing from you soon.

## What's it like?

Imagine standing at the edge of an open doorway in an aircraft flying at 10,000 feet - the noise of the engines and the wind ringing in your ears with only the outline of distant fields below. Now imagine leaning forward out of that doorway and letting go - falling forward into the clouds, diving down through the air as you start freefalling at over 120mph! Then imagine the peace and quiet as the canopy opens, the steering toggles come down either side of you and you begin a tranquil parachute descent from a mile up in the air, steering yourself back down to the centre of the drop zone below. Imagine being able to do this for FREE whilst harnessed to a professional freefall parachute instructor and at the same time being able to help a national charity! Stop imagining, it's real and it's happening all the time and you can be part of it...

## What does the jump involve?

Technically the jump is called a 'Tandem Skydive'. It is a Skydive because you will be freefalling through the air (without the parachute deployed) for several thousand feet; it is in Tandem because you will be harnessed to a professional parachute instructor at all times throughout the descent (see front photo). This is the only way you can jump from such an altitude without spending thousands of pounds becoming a freefall parachutist. This is literally the chance of a lifetime!

This jump is also much less demanding than the traditional 'static line' jump as the jump and training are

completed in one day and your instructor will be in control of your landing.

## Points to remember:

- Jump and training completed in one day
- Harnessed to an experienced parachute instructor at all times
- Jump from at least 10,000 feet - just like the professionals
- Freefall down to 5,000 feet - falling through the air at 120 mph!
- Ride the parachute down to the ground - we teach you how to steer onto the drop zone
- Landing controlled by your instructor
- Certificate to prove that you have completed a 'two-mile high' Tandem Skydive!

## What must I do to qualify for a free jump?

All you have to do is raise £495 in aid of St Wilfrid's Hospice (Eastbourne) by asking your friends and colleagues to sponsor you, using our specially designed sponsorship forms which you will find at the back of this information pack. Please do not be put off by this amount - if you ask everybody you know to sponsor you, you will find you can quite easily raise the minimum £495 sponsorship and remember, every penny you raise over the minimum will be further contributing to St Wilfrid's Hospice (Eastbourne) and giving **you** the chance to make an exhilarating freefall parachute jump for FREE!

## What do I do next?

Read the information within this pack and then simply make your booking at <https://booking.skylineevents.co.uk/?add=181&charity=26579&siteID=50&referrer=charity>. After that all you have to do is make an exhilarating Tandem Skydive from 10,000 feet for FREE!

**This is your chance to experience  
120mph freefall!**

## Booking Terms and Conditions

1. If you are jumping for a charity and wish to recover reimbursement of the cost of the training and the jump, you must raise the minimum sponsorship money appropriate for your chosen jump as detailed on the 'Free charity jumps' page on this website. If you also wish to recover reimbursement of the deposit you must raise this portion of your sponsorship offline – deposits cannot be recovered from funds raised online. If you are purchasing the jump for yourself the cost for the training and the jump must be paid on the day of the training and this payment is totally non-refundable even if you do not jump for any reason.
2. If you are buying a Gift Voucher the full cost of the jump must be prepaid as indicated on the Book Online form. This includes a £70 non-refundable booking deposit as referred to in 3 below and the remainder which represents the fee for the jump and all associated training which is passed on by Skyline Promotions Ltd to the parachute centre who are solely responsible for these elements. Gift Vouchers are refundable within the first 28 days subject to a £30 administration fee. Gift vouchers must be redeemed within 12 months but can be transferred to another person within this period.
3. All booking deposits are completely non-refundable and are payable to Skyline Promotions Ltd and cover various costs including without limitation assisting you to find an airfield where you may carry out your jump and in the case of gift vouchers the design and printing of the voucher. Such booking deposits are valid for twelve months from the date of booking and should the jumper not be unable to complete their jump due to inclement weather alternative arrangements will be made. 'Open dated' gift vouchers may be redeemed at any time within this twelve month period.
4. Should the weather be unsuitable for jumping on the day it will be up to the jumper to return to the parachute centre on another occasion(s) if necessary to complete their jump.
5. A fee of £50 will be charged for all cancellations or changes of jump date. A fee of £100 will be charged for any cancellations or date changes within 1 week of the booked date. This will be taken automatically from the card you entered when paying your £70 booking deposit. This is in addition to the standard prices indicated on this website.
6. Once a specific date has been booked, you will automatically become bound by the terms and conditions that individual operator may have.
7. Skyline Promotions Ltd in consideration of the payment of the booking deposit will take all reasonable steps to arrange the jump at your nearest available parachute centre but since parachuting is a very popular sport, we may be forced to offer you an alternative due to lack of availability at some centres. Skyline Promotions Ltd acts as your agent in arranging for the jump and not as the agent for the parachute centre. Skyline Promotions Ltd use only those parachute centres which are affiliated to the British Parachute Association as the National Governing Body of the sport. Accordingly, no representations or warranties of any kind are made by Skyline Promotions Ltd as to the suitability, capability, quality of training or operation of any parachute centre. Any queries or complaints with regards to these aspects should be referred to the parachute centre concerned.

## Medical Restrictions

(In this section 'you' refers to the jumper)

For a tandem skydive you must be at least 16 years old; for static line jumps and AFF you must be aged between 16 and 55 inclusive. For all jumps you must weigh under 15 stone with your weight in proportion to your height. Please note some centres have lower weight limits - please contact us for details. The principal medical restrictions for all jumps are diabetes, epilepsy, fits, recurrent blackouts, heart or lung disease, mental illness and some cases of asthma but if you are in any doubt please contact us for further information. All jumpers are required to sign a medical form before their jump declaring their fitness to take part - this will be sent to you upon receipt of your booking but is also available on request. Those under the age of 18 will need the medical form signed by a parent or guardian; anyone with medical conditions listed on form 115A will need to have form 115B signed by their doctor.

## Insurance

On payment to the parachute centre of the fee for the training and the jump, all jumpers are covered by the British Parachute Association Liability Insurance Policy up to £5 million for liability to Third Parties. Please note that this does not cover the jumper or their dependants for personal injury including death. All jumpers are therefore strongly recommended to take out their own insurance cover for personal accident benefits to whatever level they consider appropriate. They can do this either in conjunction with their own insurance broker or they may take advantage of the cover detailed on this website. If you wish to take advantage of this scheme then please refer to the insurance page for full details.

I voluntarily accept all the risks inherent in the sport and I agree for myself and my personal representatives to indemnify and hold harmless Skyline Promotions Ltd against any claim or claims whether on my own account or from third parties arising out of any accident or incident resulting in any loss or damage (including bodily injury and death).
