St Wilfrid's Hospice

A lasting legacy

Our beautiful Memory Tree is on the wall in the central Street area of the hospice building so that all visitors have access to it. The Memory Tree has been created so that supporters, visitors, friends and family can donate to dedicate one of the 450 leaves on the tree to a loved one.

There are also 15 Cow Parsley flower heads at the base of the tree that have more space than the leaves for your dedication. To purchase a leaf or flower head, fill in this leaflet **or contact Jenna Stringer, In Memory Co-ordinator on 01323 434216**. Dedications last for one year and can be renewed after that time.

Leaving a lasting tribute to Shaun

“The Memory Tree is such a beautiful focal point of the hospice and it seemed fitting to dedicate a leaf to Shaun. It’s wonderful for family and friends to spend time in the café by the tree to reflect and remember Shaun. Shaun was initially reluctant to come into the hospice but the moment he stepped through the door all those fears disappeared. The amazing care and support from all the staff meant that we could spend those precious last weeks with our children and family as we wanted. The hospice even supported us to have a small birthday party for Shaun. Dedicating a leaf is a lasting tribute, and it brings great comfort knowing that we are giving something back and enabling other families to benefit from the same outstanding care.” **Caroline Stevens, Shaun’s wife**

Your dedication

We are so incredibly thankful for every donation that we receive to help us provide compassionate care to those who need it most. We are part funded by the NHS but rely on our fantastic local communities to provide over two thirds of the funding we require. Your dedication today could contribute to:

- keeping a Hospice at Home car on the road so that our team can visit patients at home
- ensuring that our Complementary Therapies team can support patients and their families
- paying for care from a Nurse in the hospice Inpatient Unit or in a patient’s home

Thank you for your ongoing support!

Bereavement support

It can be hard to deal with grief on your own, especially in these challenging times. We recognise that this crisis affects all bereaved, and is particularly hard in these times where many of us are distanced and isolated. That’s why we have extended our adult bereavement support to our whole community, beyond those directly linked to the hospice. Our trained counsellors can support you through a difficult time.

Contact them via stwhospice.org/bereavement or call **01323 434251**

As far as we are able we will extend our bereavement support to all

Remember your loved ones and give back to the future

The beautiful, hand-sculpted Memory Tree and the Cow Parsley flower heads have been created for us by artist Claudia Ashley-Brown.

By dedicating a leaf or flower head, you will be helping to raise money for the hospice, enabling us to help more patients and their families. The hospice aims to reach out to transform end of life care for more people in our catchment area of Eastbourne, Seaford, Uckfield, Heathfield, Hailsham and all the points in between.

If you have any queries regarding the Memory Tree or would prefer to make your dedication over the phone, please contact **Jenna Stringer** on **01323 434216**.
