# Partners: Your business and St Wilfrid's Hospice working together

## What is Partners?

Partners is a scheme run by St Wilfrid's Hospice giving us the opportunity to work together. We can help you attain the communities side of any corporate social responsibly plans you have. Just pledge a minimum fundraising commitment over the course of a year – see the different levels on the table opposite – which we will help you to achieve.

## Why support St Wilfrid's?

St Wilfrid's is your local hospice, providing high-quality, whole-person care for people with life-limiting illnesses towards the end of their lives. Care is offered in the hospice building and in the community – in patients' own homes and in care homes.

Our clinical teams, community teams, social workers, physios and occupational therapists work together with other local healthcare professionals to support patients and their families.

We know that there are still too many people dying in our local community who are not accessing hospice care. St Wilfrid's Hospice aims to change this, reaching all those in Eastbourne, Seaford, Hailsham, Uckfield, Heathfield, Pevensey and surrounds who could benefit, so that everyone has the chance to live well at the end of life. But we need your help. It currently costs over £18,000 a day to provide our services; 30% of this comes from the NHS, so that leaves us with the other 70% to find from our local community, local people and generous businesses like yours.

## How you can help

Partner with us and know that you are making a difference to a local charity within your community. Have a look at the different levels of Partners we have on the table opposite – and see what you could commit to. Every little bit of any fundraising you or your team does will go towards your Partners total, so do aim high.

We really couldn't do what we do without you, so please consider becoming a Partner with St Wilfrid's.

## Ways to raise

Every little bit of fundraising you or your staff do over the course of the year will count towards Partners. Events you put on, sponsorship you give us, donations you make, our events that you take part in... it all counts. So, what could you do?

- Make a donation
- Match-fund any fundraising your staff do
- Fund a week of care
- Take part in a challenge event – ever considered a sky dive? How about a marathon?
- Sponsor one of our mass-participation events
- Take part in one of our mass-participation events – maybe as a team
- Put on your own event – a cake sale or a raffle or think bigger... how about a golf day or a sports day?

Got an idea? We can help you put it into action.

## Which level will you sign up for?

Partner level	Bronze	Silver	Gold	Platinum
<b>Your pledge for the year</b>	<b>£500+</b>	<b>£1,250+</b>	<b>£3,000+</b>	<b>£5,000+</b>
