A direct cremation is a cremation without a funeral service or ceremony at the time of the cremation.	See website: https://www.moneyhelper.org.uk/en/family-and-care/death-and-bereavement/how-much-does-a-funeral-cost	The webpage to the left has some guidance on finding national companies that offer direct cremation. But note that you can also speak with local funeral directors who can also arrange direct cremations. Costs may vary.
