# Remember your loved ones and give to the future

The beautiful, hand-sculpted, Memory Tree has been created for us by artist Claudia Ashley-Brown.

We are so incredibly thankful for every donation that we receive to help us provide compassionate care to those who need it most.

We are part funded by the NHS but rely on our fantastic local communities to provide over two thirds of the funding we require. Your dedication today could contribute to:

- keeping a car on the road so that our team can visit patients at home
- ensuring that our Complementary Therapies team can support patients and their families
- paying for care from a nurse in the hospice Inpatient Unit or in a patient's home

**Thank you for your ongoing support**

If you have any queries regarding the Memory Tree or would prefer to make your dedication over the phone, please contact Jenna Stringer using the details below
